If you wish to return any or all your ordered products, please fill-in this Return Form. In order to successfully complete your return, each returned product must be in its original packaging and in the same excellent condition as when you received it without its packaging being tampered with nor the other markings should not have undergone any treatment (eg washing, processing, stains, wear, etc.), and all returning accessories should be included. In addition, you must include all sales and shipment documents (receipts, invoices, shipping bulletins, etc.) accompanying the product at the same time as submitting a withdrawal statement.
